Your Responsibilities

- As a Working Student (m/f/d), you will support the SSD (Scientific Solutions Division) EMEA Marketing Support & Commercial Excellence team with data quality management tasks
- You are responsible for time-dependent working packages based on SAP and CRM master data to harmonize and improve the master data quality for the SSD organization
- You regularly analyze the as-is situation of data quality management in the SSD organization
- You identify opportunities to increase efficiency and effectiveness in data quality management
- You also support the Central CRM Manager and Pricing Manager in PMO topics, e.g. tracking of tasks and documentation of activities
- Furthermore, you support the review of data quality management processes and update or develop SOPs

Your Qualifications

- You are a student (m/f/d), enrolled at a German university in the area of Marketing, Economics, IT or similar fields
- Your strengths include a commercial way of thinking and general interest in data quality management
- You work confidently with MS Office tools, especially with Excel
- You are an excellent communicator with a very good command of English – both written and spoken
- You have strong analytical skills and a sense for details

Your Benefits

- 13 Euro per hour
- Proportionate vacation entitlement
- Interesting and diverse tasks in an international working environment
- Excellent mentoring structure with regular feedback

We look forward to receiving your complete application including cover letter, CV and references!
