

## Intern (f/m/x): Finance, Purchase and Operations

### BMW Car IT GmbH

#### Software for future automobiles and motorbikes

BMW Car IT GmbH, a wholly owned subsidiary of BMW AG, is a software company focused on the design and development of innovative software for future BMW Group automobiles and motorbikes.

We have two locations in Germany: Munich and Ulm. Our Munich labs envision how software will evolve in automobiles up to 20 years from now, and focus on topics to realize these ideas and concepts. Our labs in Ulm are closely aligned to production software development, bringing solutions to the automobile.
